**To Connect Run the Logmein File**

Your download will automatically start in a few seconds

- 1. Run the Logmeinrescue.exe File**

Once the file has downloaded, access your downloads folder to run the Logmeinrescue.exe file
- 2. ProctorU Chat Box**

Once you have successfully run the file you will see the ProctorU chat box. This indicates that you are being connected with your proctor

**Don't see a chatbox?**

If you do not see the chatbox you can re-download the Logmein file by clicking [here](#)
- 3. Do Not Close the Chatbox**

Closing the ProctorU chat box or re-downloading the Logmein file will force you to restart the connection process and your wait time will be increased.
